MISSION

Seeking to put God's love into action, Habitat for Humanity of Broward brings people together to build homes, communities and hope.

AREAS SERVED

Broward County

YEAR FOUNDED

1983

Our Goals

Habitat for Humanity of Broward envisions a future where every hardworking family has access to safe, affordable homeownership. Over the last 43 years, we've served 626 families. Our ambitious goal: reach 1,000 by our 50th anniversary, transforming lives across Broward County. We're deeply committed to breaking cycles of poverty and building generational wealth. Through affordable housing, financial literacy, and ongoing support, we empower residents to achieve economic independence and truly belong in homes they own.

Our History

Habitat for Humanity of Broward was founded in 1983. We completed our first home in Dania Beach in 1988 and opened the ReStore in 2000. Key milestones include the Women Build program and green-certified homes. Our evolution peaked with Rick Case Habitat—Broward's largest workforce housing development. Today, we're scaling into upscale townhome communities, with 4 complete and 3 launching soon. We serve families through 12-month financial literacy and mortgage readiness programs, including youth curriculum.

Our Services

Habitat for Humanity of Broward provides a comprehensive pathway to homeownership. We acquire land, build energy-efficient homes using volunteer labor, and offer low-interest mortgages to families at or below 80% of Area Median Income. Homeowners complete 300 hours of sweat equity and life skills workshops. We service mortgages for the life of the loan, providing ongoing wrap-around family support. Our ReStore and neighborhood revitalization initiatives further strengthen communities across Broward County.

Our Impact on the Community

In one of America's most expensive housing markets, Habitat for Humanity of Broward stands as virtually the only organization laser-focused on affordable homeownership—offering a real pathway out of renting for South Florida's essential workforce. Teachers, nurses, first responders, and other critical workers keep our community thriving, yet their salaries will never outpace skyrocketing housing costs. Habitat bridges that gap, turning dedicated community servants into proud homeowners, building stability, generational wealth, and a stronger South Florida for everyone.

Volunteer Opportunities

Whether you swing a hammer or donate your time behind the scenes, your impact is profound and lasting. Every hour counts. Volunteer on our construction sites and help families achieve homeownership. Lead or attend education classes that teach financial literacy, home maintenance, and essential life skills. Become an empowerment coach and mentor families through their homeownership journey. Or support our ReStore, where donated materials power our important mission. Build dreams with us—no experience needed.

Our Upcoming Fundraisers

WOMEN BUILD

Location: Moss Estates in Oakland Park, October 23 and 24. Come out and join over 200 women, as we focus our hearts and energy on building homes for 10 deserving families.

CEO BUILD

Location: Pompano Beach Six, January 30. An invite-only build for the top leadership across South Florida, who are collectively responsible for a workforce of 400,000 employees that deserve affordable homeownership.

HABITAT HAMMERS BUILD

Location: Pompano Beach Six, February 27. A build for the Construction industry, joining together to create affordable homeownership; limited to the first 60 participants.

More About Us

Every home has a story. Help us write one. Habitat for Humanity of Broward transforms lives—one key, one dream, one family at a time. We don't just build houses; we build futures for hardworking families who've been locked out of homeownership. When you support us, you're not just hammering nails—you're building generational stability, hope, and belonging. Come build something meaningful with us.
