A WORD FROM OUR SPONSOR

At Habitat for Humanity of Broward, we believe that building strong communities starts with investing in people. That is exactly what the 40 Under 40 honorees represent.

These young leaders are shaping the future of our region with vision, compassion, and a commitment to service. These are values we hold close at Habitat. Many of the families we serve are led by individuals under 40 who are working hard to build better lives for their children. With access to safe, affordable housing, they are able to thrive at work, contribute to their communities, and grow into leaders themselves.

We are proud to support this celebration of talent, drive, and positive impact. Congratulations to this year’s honorees. Your dedication is helping lay the foundation for a stronger, more equitable Broward County.
